Energy Efficiency Heating Rebates are available on a strictly limited basis until program funding has been depleted. Rebate offers are subject to change without notice and the program may be terminated due to funding constraints at any time. Go to [www.smartenergy-zone.com/nationalgridny](http://www.smartenergy-zone.com/nationalgridny) to view available energy efficiency funds and to complete the online reservation form.

Equipment order form on reverse. Customer acknowledges that Licensed Plumber is fully responsible to Customer for the installation and sizing of the heating equipment and that National Grid makes no warranties, guaranties or representations with regard to Licensed Plumber's installation. All offers are subject to terms and conditions and are subject to withdrawal by National Grid at any time. Offers for Long Island customers only who reside in National Grid territory where National Grid service is available. Rockaway Peninsula is part of the Long Island territory.

This form is to be used for ordering Conversion Burners only.

All Burnham Boilers and Furnaces need to be ordered through the online system located at [www.conversionprogram.net](http://www.conversionprogram.net).

\*Licensed Plumber accepts full responsibility for selected equipment specification and collection of upcharge from the customer to be paid to the distributor. Licensed Plumber will pay a re-stocking fee for any equipment that needs to be re-ordered/re-shipped due to incorrectly specified equipment. Licensed Plumber also accepts responsibility for the coordination of delivery of sold equipment with National Grid designated distributor. Licensed Plumber acknowledges that the selected equipment is being provided by National Grid to the customer listed on this form. Licensed Plumber also agrees to support the manufacturer's warranty for specified equipment for a period of one year from the date of installation. By signing this document, Licensed Plumber agrees to comply with National Grid equipment ordering guidelines.

\***Conversion Customers** – Conversion customers installing qualifying heating equipment, indirect water heaters, thermostats and boiler reset controls are REQUIRED to apply for rebate reservation number and complete a separate rebate application. **Customer rebate applications with required documents MUST be postmarked within 60 days of rebate reservation request.** Energy Efficiency "Instant Rebates" will **no longer** be offered under National Grid Discounted Heating Equipment program. National Grid Energy Efficiency Heating programs have limited funding and may be terminated at any time or when funds have been depleted. National Grid Energy Efficiency Rebate applications are located on [www.nationalgridus.com/energyefficiencyservices](http://www.nationalgridus.com/energyefficiencyservices).

Customers must now first reserve a rebate (online at [www.smartenergy-zone.com/nationalgridny](http://www.smartenergy-zone.com/nationalgridny)) when ordering High Efficiency equipment. Also within 60 days of reservation, the enclosed Rebate Form must be submitted with all required documents. See rebate form for details.
